

# Transition Discoveries Online

## Youth Discovery Journey

This website helps youth get started in preparing for what's ahead. Look around, stop and try some activities to plan for the future. School transition teams, family and friends, and anyone else who can help youth achieve future goals can join in!

**Youth start with a Discovery Journey** to identify interests, strengths, and people who can support them in achieving their future goals.

### My Job Summary

I am a...

- **Creator** (Definitely) - [Learn more about Creators](#)
- **Thinker** (Usually) - [Learn more about Thinkers](#)
